Details are yet to be released but we will confirm your eligibility with you as soon as we receive more information.

How these subsidies are claimed:

Please keep paying your invoices as usual. At the end of each quarter, PAV will make a claim through the government for the applicable subsidy depending on the circumstances.

When that claim is processed and subsidy returned, we will credit it to your account and let you know how much was credited.

Information PAV require to process your claim:

We need to know if you are eligible for Job Keeper, and on what date your eligibility commenced.

If you have not already, confirming your Job Keeper status by emailing
