Report Required under Subsection 255(2A)	5
Statement of Profit or Loss and Other Comprehensive Income	6
Statement of Financial Position	7
Statement of Changes in Equity	8
Statement of Cash Flows	9
Notes to the Financial Statements	10
Executive Board's Statement	39
Officer Declaration Statement	40
Independent Auditor's Report	41

# **OPERATING REPORT**

The Executive Board members submit the financial report of the Master Plumbers' & Mechanical Services Association of Australia and controlled entity for the financial year ended 30 June 2020.

#### Members of Executive Board

The names of executive board members throughout the year and at the date of this report are:

Scott Dowsett	(President)
Grant Donald	(Board Member, Treasurer)
Norm Anderson	(Vice President)
Kevin Shinners	(Vice President)
Rob Hansen	(Board Member)
Daniel Smolenaars	(Board Member)
Greg Tink	(Board Member)
Michael Tomlinson	(Board Member)
Ken Gardner	(Board Member, appointed on 23 July 2019)
Peter Daly	(Secretary)

#### Officers or Members - Trustee or Director of a Superannuation Entity

No officer or member of the reporting unit holds a position as a trustee or director of a superannuation entity or exempt public sector superannuation scheme where the criterion for holding such position is that they are an officer or member of an organisation.

#### **Number of Members**

As at 30 June 2020, the Association had 932 members (2019: 929).

#### Number of Employees

As at 30 June 2020, the total number of employees of the Association was 142 (2019: 134).

#### **Principal Activities**

The principal activities of the Association during the financial year were to provide services, training and advice on industrial law to the membership and the Australian plumbing sector. The Association achieved results in the following areas:

- Delivered training to the Australian plumbing sector including Pre-apprenticeship and Apprenticeship training and post qualification training
- Ongoing operation of a Group Training Scheme for plumbing apprentices
- High level Federal and State Government lobbying on plumbing related issues.

No significant change in the nature of these activities occurred during the year.

### **Significant Changes in Financial Affairs**

No significant changes in the Association's financial affairs occurred during the financial year.

#### **Operating Result**

The operating profit for the consolidated entity and parent entity for financial year after providing for income tax amounted to \$684,775 and \$634,156 respectively.

#### Events Subsequent to the End of the Reporting Period

No other matters or circumstances have arisen since the end of the financial year which may significantly affect the operations of the Association, the results of those operations, or the statement of affairs of the Association in subsequent years.

# **OPERATING REPORT**

### COVID-19

As a result of the evolving nature of the COVID-19 outbreak and the rapidly evolving government policies of restrictive measures put in place to contain it, as at the date of these financial statements, the association is not in a position to reasonably estimate the financial effects of the COVID-19 outbreak on the future financial performance and financial position of the association. Other than the current disclosures, there has not been any other matter or circumstance occurring subsequent to the end of the financial year that has significantly affected, or may significantly affect, the operations of the association, the results of those operations, or the state of affairs of the association in subsequent financial periods.

#### Manner of Resignation

- (1) A member of the Association or an affiliate member may resign from membership by written notice addressed and delivered to the Secretary or Executive Director.
- (2) A notice of resignation from membership of the Association takes effect;
  - (a) where the member ceases to be eligible to become a member of the Association;
    - (i) on the day on which the notice is received by the Association; or
    - (ii) on the day specified in the notice, which is a day not earlier than the day when the member ceases to be eligible to become a member;

whichever is later; or

- (b) in any other case:
  - (i) at the end of 14 days after the notice is received by the Association; or
  - (ii) no the day specified in the notice;
- (3) Any dues payable but not paid by a former member of the Association, in relation to a period before the member's resignation from the Association took effect, may be sued for and recovered in the name of the Association, in a court of competent jurisdiction, as a debt due to the Association.
- (4) A notice delivered to the person mentioned in subsection (1) shall be taken to have been received by the Association when it was delivered.
- (5) A notice of resignation that has been received by the Association is not in-valid because it was not addressed and delivered in accordance with subsection (1).
- (6) A resignation from membership of the Association is valid even if it is not effected in accordance with this section if the member is informed in writing by or on behalf of the Association that the resignation has been accepted.

DocuSigned by: B79BE507501D445.

Scott Dowsett President Dated in Melbourne on this 27<sup>th</sup> day of October 2020.

# REPORT REQUIRED UNDER SUBSECTION 255 (2A) FOR THE YEAR ENDED 30 JUNE 2019

The Executive Board members presents the expenditure report as required under subsection 255(2A) on the Reporting Unit for the year ended 30 June 2020.

### Descriptive form:

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2020

#### NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

The financial statement includes the consolidated financial statements and notes of Master Plumbers' & Mechanical Services Association of Australia (MPMSAA) and Controlled Entity (the "consolidated group or "group"), and the separate financial statements and notes of MPMSAA as an individual parent entity ("parent entity" or "parent"). MPMSAA is an Association registered under the Fair Work (Registered Organisations) Act 2009 ('RO Act"). The Association is not divided into branches and accordingly, the reporting unit is the whole of the organisation

#### **Basis of Preparation**

The financial statements are general purpose financial statements and have been prepared in accordance with Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards Board (AASB) that apply for the reporting period and the Fair Work (Registered Organisation) Act 2009. For the purpose of preparing the general purpose financial statements, MPMSAA is a not-for-profit entity.

The financial statements have been prepared on an accrual basis and in accordance with the historical cost, except for certain assets and liabilities measured at fair value, as explained in the accounting policies below. Historical cost is generally based on the fair values of the consideration given in exchange for assets. Except where stated, no allowance is made for the effect of changing prices on the results or the financial position. The financial statements are presented in Australian dollars.

#### Accounting Policies

#### (a) Principles of Consolidation

The consolidated financial statements incorporate all of the assets, liabilities and results of the parent entity ("the parent"), MPMSAA, and its subsidiaries. Subsidiaries are entities the parent controls. The parent controls an entity when it is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power over the entity. Details of the subsidiary are provided in Note 17.

The assets, liabilities and results of all subsidiaries are fully consolidated into the financial statements of the Group. The consolidation of a subsidiary is discontinued from the date that control ceases. Intercompany transactions, balances and unrealised gains or losses on transactions between group entities are fully eliminated on consolidation. Accounting policies of subsidiaries have been changed and adjustments made where necessary to ensure uniformity of the accounting policies adopted by the Group.

#### (b) Business Combinations

Business combinations occur where an acquirer obtains control over one or more businesses.

A business combination is accounted for by applying the acquisition method, unless it is a combination involving entities or businesses under common control. The business combination will be accounted for from the date that control is attained, whereby the fair value of the identifiable assets acquired and liabilities (including contingent liabilities) assumed is recognised (subject to certain limited exemptions).

When measuring the consideration transferred in the business combination, any asset or liability resulting from a contingent consideration arrangement is also included. Subsequent to initial recognition, contingent consideration classified as equity is not remeasured and its subsequent settlement is accounted for within equity. Contingent consideration classified as an asset or liability is remeasured in each reporting period to fair value, recognising any change to fair value in profit or loss, unless the change in value can be identified as existing at acquisition date.

All transaction costs incurred in relation to business combinations, other than those associated with the issue of a financial instrument, are recognised as expenses in profit or loss when incurred.

The acquisition of a business may result in the recognition of goodwill or a gain from a bargain purchase.

#### (c) Income Tax

MPMSAA is exempt from income tax in accordance with Section 50-15 of the Income Tax Assessment Act 1997.

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2020

#### NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

#### (d) Property, Plant and Equipment

Each class of property, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation and impairment losses.

#### Property

Freehold land and buildings are shown at their fair value (being the amount for which an asset could be exchanged between knowledgeable willing parties in an arm's length transaction), based on periodic, but at least triennial, valuations by external independent valuers.

In the periods when the freehold land and buildings are not subject to an independent valuation, the directors conduct directors' valuation to ensure the land and buildings' carrying amount is not materially different to the fair value.

Increases in the carrying amount arising on revaluation of land and buildings are credited to a revaluation reserve in equity. Decreases that offset previous increases of the same asset are charged against fair value reserves directly in equity; all other decreases are charged to the statement of profit or loss and other comprehensive income.

Any accumulated depreciation at the date of revaluation is eliminated against the gross carrying amount of the asset and the net amount is restated to the revalued amount of the asset.

#### Plant and equipment

Plant and equipment are measured on the cost basis less depreciation and impairment losses.

The carrying amount of plant and equipment is reviewed annually by the Board to ensure it is not in excess of the recoverable amount from those assets. The recoverable amount is assessed on the basis of the expected net cash flows which will be received from the assets employment and subsequent disposal. The expected net cash flows have been discounted to present values in determining recoverable amounts.

#### Depreciation

The depreciable amount of all fixed assets including buildings and capitalised leased assets, but excluding freehold land, are depreciated on a straight line or reducing balance basis over their useful lives to the Association commencing from the time the asset is held ready for use.

The depreciation rates used for each class of depreciable assets are:

Class of fixed asset	Depreciation rates	Method
Buildings	2 %	Prime Cost
Furniture and Fittings	7.5 – 20 %	Reducing Balance
Office Equipment	5-66.67 %	Reducing Balance
Motor Vehicles	25 %	Reducing Balance

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at each reporting date.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains or losses are included in the statement of profit or loss and other comprehensive income. When revalued assets are sold, amounts included in the revaluation reserve relating to that asset are transferred to retained earnings.

#### (e) Investment Property

Investment properties, comprising freehold complexes, are held to generate rental yields. All tenant leases are on an arm's length basis. Investment property is carried at cost less accumulated depreciation and impairment losses.

# NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2020

#### NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

(f) Leases

#### In the current year

The association assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration

#### Association as a lessee

The association applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The association recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

#### Right-of-use assets

The association recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets.

If ownership of the leased asset transfers to the association at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset. The right-of-use assets are also subject to impairment.

#### Lease liabilities

At the commencement date of the lease, the association recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in-substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the association and payments of penalties for terminating the lease, if the lease term reflects the association exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognised as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs.

In calculating the present value of lease payments, the association uses the implicit the interest rate or incremental borrowing rate if the implicit lease rate is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset.

#### Short-term leases and leases of low-value assets

The association short-term leases are those that have a lease term of 12 months or less from the commencement. It also applies the lease of low-value assets recognition exemption to leases of all leases that are below \$10,000. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

#### In the prior year

Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the periods that they are incurred or on a straight line basis where the lease agreement includes fixed rate increases.

Lease incentives received under operating leases are accounted for on a straight line basis over the life of the lease.

# NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2020

### NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

#### (g) Financial Instruments

#### Initial recognition and measurement

Financial assets and financial liabilities are recognised when the entity becomes a party to the contractual provisions to the instrument. For financial assets, this is the date that the entity commits itself to either the purchase or sale of the asset (ie trade date accounting is adopted).

Financial instruments (except for trade receivables) are initially measured at fair value plus transaction costs.

Trade receivables are initially measured at the transaction price if the trade receivables do not contain significant financing component or if the practical expedient was applied as specified in AASB 15.63.

#### **Classification and subsequent measurement**

#### Financial liabilities

Financial liabilities are subsequently measured at amortised cost using the effective interest method.

The effective interest method is a method of calculating the amortised cost of a debt instrument and of allocating interest expense in profit or loss over the relevant period.

The effective interest rate is the internal rate of return of the financial asset or liability. That is, it is the rate that exactly discounts the estimated future cash flows through the expected life of the instrument to the net carrying amount at initial recognition.

A financial liability cannot be reclassified.

# Financial assets

Financial assets are subsequently measured at:

- amortised cost; or
- fair value through other comprehensive income; or
- fair value through profit and loss

on the basis of the two primary criteria, being:

- the contractual cash flow characteristics of the financial asset; and
- the business model for managing the financial assets.

A financial asset is subsequently measured at amortised cost when it meets the following conditions:

- the financial asset is managed solely to collect contractual cash flows; and
- the contractual terms within the financial asset give rise to cash flows that are solely payments of principal and interest on the principal amount outstanding on specified dates.

A financial asset is subsequently measured at fair value through other comprehensive income when it meets the following conditions:

- the contractual terms within the financial asset give rise to cash flows that are solely payments of principal and interest on the principal amount outstanding on specified dates; and
- the business model for managing the financial asset comprises both contractual cash flows collection and the selling of the financial asset.

By default, all other financial assets that do not meet the conditions of amortised cost and the fair value through other comprehensive income's measurement condition are subsequently measured at fair value through profit and loss.

The initial designation of the financial instruments to measure at fair value through profit and loss is a one-time option on initial classification and is irrevocable until the financial asset is derecognised.

# NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2020

### NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

### (g) Financial Instruments (cont'd)

### Equity instruments

At initial recognition, as long as the equity instrument is not held for trading or is not a contingent consideration recognised by an acquirer in a business combination to which AASB 3 applies, the entity made an irrevocable election to measure the equity instruments in other comprehensive income, while the dividend revenue received on underlying equity instruments investment will still be recognised in profit and loss.

Regular way purchases and sales of financial assets are recognised and derecognised at settlement date in accordance with the entity's accounting policy.

### Derecognition

Derecognition refers to the removal of a previously recognised financial asset or financial liability from the statement of financial position.

#### Derecognition of financial liabilities

A liability is derecognised when it is extinguished (ie when the obligation in the contract is discharged, cancelled or expires). An exchange of an existing financial liability for a new one with substantially modified terms, or a substantial modification to the terms of a financial liability, is treated as an extinguishment of the existing liability and recognition of a new financial liability.

The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss.

### Derecognition of financial assets

A financial asset is derecognised when the holder's contractual rights to its cash flows expires, or the asset is transferred in such a way that all the risks and rewards of ownership are substantially transferred.

All of the following criteria need to be satisfied for derecognition of a financial asset:

- the right to receive cash flows from the asset has expired or been transferred;
- all risk and rewards of ownership of the asset have been substantially transferred; and
- the entity no longer controls the asset (ie it has no practical ability to make unilateral decisions to sell the asset to a third party).

On derecognition of a financial asset measured at amortised cost, the difference between the asset's carrying amount and the sum of the consideration received and receivable is recognised in profit or loss.

On derecognition of a debt instrument classified as fair value through other comprehensive income, the cumulative gain or loss previously accumulated in the investment revaluation reserve is reclassified to profit or loss.

On derecognition of an investment in equity which was elected to be classified under fair value through other comprehensive income, the cumulative gain or loss previously accumulated in the investments revaluation reserve is not reclassified to profit or loss, but is transferred to retained earnings.

# NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2020

# NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

# (g) Financial Instruments (cont'd)

# Impairment

The entity recognises a loss allowance for expected credit losses on:

- financial assets that are measured at amortised cost or fair value through other comprehensive income;
- lease receivables;
- contract assets (eg amount due from customers under construction contracts);
- loan commitments that are not measured at fair value through profit or loss; and
- financial guarantee contracts that are not measured at fair value through profit or loss.

Loss allowance is not recognised for:

equity instruments measured at fair value through other comprehensive income.

Expected credit losses are the probability-weighted estimate of credit losses over the expected life of a financial instrument. A credit loss is the difference between all contractual cash flows that are due and all cash flows expected to be received, all discounted at the original effective interest rate of the financial instrument.

The entity used the following approaches to impairment, as applicable under AASB 9:

- the simplified approach; and
- low credit risk operational simplification.

#### Simplified approach

The simplified approach does not require tracking of changes in credit risk in every reporting period, but instead requires the recognition of lifetime expected credit loss at all times.

In measuring the expected credit loss, a provision matrix for trade receivables was used taking into consideration various data to get to an expected credit loss (ie diversity of its customer base, appropriate groupings of its historical loss experience, etc).

Low credit risk operational simplification approach

If a financial asset is determined to have low credit risk at the initial reporting date, the entity assumed that the credit risk has not increased significantly since initial recognition and accordingly can continue to recognise a loss allowance of 12-month expected credit loss.

In order to make such determination that the financial asset has low credit risk, the entity applied its internal credit risk ratings or other methodologies using a globally comparable definition of low credit risk.

A financial asset is considered to have low credit risk if:

- there is a low risk of default by the borrower;
- the borrower has strong capacity to meet its contractual cash flow obligations in the near term; and
- adverse changes in economic and business conditions in the longer term, may, but not necessarily, reduce the ability of the borrower to fulfil its contractual cash flow obligations.

A financial asset is not considered to carry low credit risk merely due to existence of collateral, or because a borrower has a lower risk of default than the risk inherent in the financial assets, or relative to the credit risk of the jurisdiction in which it operates.

#### Recognition of expected credit losses in financial statements

At each reporting date, the entity recognised the movement in the loss allowance as an impairment gain or loss in the statement of profit or loss and other comprehensive income.

The carrying amount of financial assets measured at amortised cost includes the loss allowance relating to that asset.

Assets measured at fair value through other comprehensive income are recognised at fair value with changes in fair value recognised in other comprehensive income. An amount in relation to change in credit risk is transferred from other comprehensive income to profit or loss at every reporting period.

# NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2020

### NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

#### (h) Impairment of Assets

At each reporting date, the Association reviews the carrying values of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the statement of profit or loss and other comprehensive income.

Where the future economic benefit of an asset is not primarily dependent on the asset's ability to generate future cash flows, and the asset would be replaced if the Association were deprived of the asset, its value in use is taken to be its depreciated replacement cost.

#### (i) Employee Benefits

#### Short-term employee benefits

Provision is made for the company's obligation for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly within 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries and sick leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

The company's obligations for short-term employee benefits such as wages, salaries and sick leave are recognised as a part of current trade and other payables in the statement of financial position.

#### Long-term employee benefits

The company classifies employees' long service leave and annual leave entitlements as other long-term employee benefits as they are not expected to be settled wholly within 12 months after the end of the annual reporting period in which the employees render the related service. Provision is made for the company's obligation for other long-term employee benefits, which are measured at the present value of the expected future payments to be made to employees. Expected future payments incorporate anticipated future wage and salary levels, durations of service and employee departures, and are discounted at rates determined by reference to market yields at the end of the reporting period on government bonds that have maturity dates that approximate the terms of the obligations. Upon the remeasurement of obligations for other long-term employee benefits, the net change in the obligation is recognised in profit or loss classified under employee benefits expense.

The company's obligations for long-term employee benefits are presented as non-current liabilities in its statement of financial position, except where the company does not have an unconditional right to defer settlement for at least 12 months after the end of the reporting period, in which case the obligations are presented as current liabilities.

#### (j) Provisions

Provisions are recognised when the Association has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. Provisions recognised represent the best estimate of the amounts required to settle the obligation at the end of the reporting period.

#### (k) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within short-term borrowings in current liabilities on the statement of financial position.

# NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2020

#### NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

#### (I) Revenue

#### In the current year

The association enters into various arrangements where it receives consideration from another party. These arrangements include consideration in the form of membership subscriptions, host trainer income, training services, and grants.

The timing of recognition of these amounts as either revenue or income depends on the rights and obligations in those arrangements.

#### Revenue from contracts with customers

Where the association has a contract with a customer, the association recognises revenue when or as it transfers control of goods or services to the customer. The association accounts for an arrangement as a contract with a customer if the following criteria are met:

- the arrangement is enforceable; and
- the arrangement contains promises (that are also known as performance obligations) to transfer goods or services to the customer (or to other parties on behalf of the customer) that are sufficiently specific so that it can be determined when the performance obligation has been satisfied.

#### Income of the association as a Not-for-Profit Entity

Consideration is received by the association to enable the entity to further its objectives. The association recognises each of these amounts of consideration as income when the consideration is received (which is when the association obtains control of the cash) because, based on the rights and obligations in each arrangement:

- the arrangements do not meet the criteria to be contracts with customers because either the arrangement is unenforceable or lacks sufficiently specific promises to transfer goods or services to the customer; and
- the association's recognition of the cash contribution does not give to any related liabilities.

#### Membership subscriptions

For membership subscription arrangements that meet the criteria to be contracts with customers, revenue is recognised when the promised goods or services transfer to the customer as a member of the association.

If there is only one distinct membership service promised in the arrangement, the association recognises revenue as the membership service is provided, which is typically based on the passage of time over the subscription period to reflect the association's promise to stand ready to provide assistance and support to the member as required.

If there is more than one distinct good or service promised in the membership subscription, the association allocates the transaction price to each performance obligation based on the relative standalone selling prices of each promised good or service. In performing this allocation, standalone selling prices are estimated if there is no observable evidence of the price that the association charges for that good or service in a standalone sale. When a performance obligation is satisfied, which is either when the customer obtains control of the good (for example, books or clothing) or as the service transfers to the customer (for example, member services or training course), the association recognises revenue at the amount of the transaction price that was allocated to that performance obligation.

For member subscriptions paid annually in advance, the association has elected to apply the practical expedient to not adjust the transaction price for the effects of a significant financing component because the period from when the customer pays and the good or services will transfer to the customer will be one year or less.

When a member subsequently purchases additional goods or services from the association at their standalone selling price, the association accounts for those sales as a separate contract with a customer.

# NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2020

#### NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

(I) Revenue (continued)

#### Host trainer income

Host trainer income is recognised relating to rendering of services as the performance obligations are satisfied over time.

#### Training services

Training services is recognised relating to rendering of services as the performance obligations are satisfied over time.

#### Government grants

Government grants are not recognised until there is reasonable assurance that the association will comply with the conditions attaching to them and that the grants will be received.

Government grants are recognised in profit or loss on a systematic basis over the periods in which the association recognises as expenses the related costs for which the grants are intended to compensate. Specifically, government grants whose primary condition is that the association should purchase, construct otherwise acquire non-current assets are recognised as deferred revenue in the statement of financial position and transferred to profit or loss on a systematic and rational basis over the useful lives of the related assets.

Government grants that are receivable as compensation for expenses or losses already incurred or for the purpose of giving immediate financial support to the association with no future related costs are recognised in profit or loss in the period in which they become receivable.

#### Interest income

Interest revenue is recognised on an accrual basis using the effective interest method.

#### Rental income

Leases in which the association as a lessor, does not transfer substantially all the risks and rewards incidental to ownership of an asset are classified as operating leases. Rental income arising is accounted for on a straight-line basis over the relevant lease term. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned.

#### In the prior year

The main sources of income include grants, host trainer, members' subscriptions and related services, training services, royalties and sale of magazines.

Grants revenue is recognised in the statement of profit or loss and other comprehensive income when it is controlled. When there are conditions attached to grant revenue relating to the use of those grants for specific purposes it is recognised in the statement of financial position as a liability until such conditions are met or services provided.

Host trainer and members' subscriptions and related services revenue are recognised on an accrual basis. Training services, royalties and magazines sales are recognised on an accrual basis.

Interest revenue is recognised on a proportional basis taking into account the interest rates applicable to the financial assets.

Other revenues are recognised when the right to receive the revenue has been established or when service has been provided.

# NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2020

### NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

#### (m) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the statement of financial position are shown inclusive of GST.

Cash flows are presented in the cash flow statement on a gross basis, except for the GST component of investing and financing activities, which are disclosed as operating cash flows.

#### (n) Comparative Figures

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

#### (o) Critical Accounting Estimates and Judgments

The Board members evaluate estimates and judgments incorporated into the financial statement based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the Association.

#### Key estimates — Impairment

The Association assesses impairment at each reporting date by evaluating conditions specific to the Association that may lead to impairment of assets. Where an impairment trigger exists, the recoverable amount of the asset is determined. Value-in-use calculations performed in assessing recoverable amounts incorporate a number of key estimates.

#### Key Judgments - Financial assets designated at fair value through other comprehensive income

The Association maintains a portfolio of securities with a carrying amount of \$4,527,859 at the end of the reporting period. Certain individual investments have declined in value since the initial acquisition of those investment. The board members do not believe this decline constitutes a significant or prolonged decline below cost at this stage and hence no impairment has been recognised. Should share values decline to a level which is in excess of 30% below cost or should prices remain at levels below cost for a period in excess of 12 months, the board members have determined that such investments will be considered impaired in the future.

#### (p) New Australian Accounting Standards

#### Adoption of New Australian Accounting Standards

No accounting standard has been adopted earlier than the application date stated in the standard.

#### Future Australian Accounting Standards Requirements Accounting Standards

# AASB 2020-1 – Amendments to Australian Accounting Standards – Classification of Liabilities as Current or Non-current

This Standard amends AASB 101 to clarify requirements for the presentation of liabilities in the statement of financial position as current or non-current. For example, the amendments clarify that a liability is classified as non-current if an entity has the right at the end of the reporting period to defer settlement of the liability for at least 12 months after the reporting period. This Standard applies to annual reporting periods beginning on or after 1 January 2022. Earlier application is permitted.

The Board has assessed that there will be not material impact on the financial statements upon adoption of AASB 2020-1.

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2020

### NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

#### (q) Initial application of AASB 16: Leases

AASB 16 Leases supersedes AASB 117 Leases, Interpretation 4 Determining whether an Arrangement contains a Lease, Interpretation 115 Operating Leases—Incentives and Interpretation 127 Evaluating the Substance of Transactions Involving the Legal Form of a Lease. The standard sets out the principles for the recognition, measurement, presentation and disclosure of leases and requires lessees to recognise most leases on the balance sheet.

Lessor accounting under AASB 16 is substantially unchanged from AASB 117. Lessors will continue to classify leases as either operating or finance leases using similar principles as in AASB 117. Therefore, AASB 16 does not have an impact for leases where the association is the lessor.

The association has adopted AASB 16 using the modified retrospective method of transition, with the date of initial application of 1 July 2019. Under this method, the standard is applied retrospectively with the cumulative effect of initially applying the standard recognised at the date of initial application. The association elected to use the transition practical expedient to not reassess whether a contract is or contains a lease at 1 July 2019.

Instead, the association applied the standard only to contracts that were previously identified as leases applying AASB 117 and Interpretation 4 at the date of initial application.

The association has applied the low value exception for all leases on adoption of the standard.

The adoption of AASB 16 did not have a material impact on the association's financial statement.

#### (r) Initial application of AASB 15: Revenue from Contracts with Customers and AASB 1058: Income of Not-for-Profit Entities

AASB 15 Revenue from Contracts with Customers supersedes AASB 111 Construction Contracts, AASB 118 Revenue and related Interpretations and it applies, with limited exceptions, to all revenue arising from contracts with its customers.

AASB 15 establishes a five-step model to account for revenue arising from contracts with customers and requires that revenue be recognised at an amount that reflects the consideration to which an entity expects to be entitled in exchange for transferring goods or services to a customer. AASB 15 also includes implementation guidance to assist not-for-profit entities to determine whether particular transactions, or components thereof, are contracts with customers. If a transaction is outside the scope of AASB 15, the recognition and measurement of income arising from the transaction may instead be specified by another Standard, for example AASB 1058 Income of Not-for-Profit Entities.

AASB 1058 replaces the income recognition requirements in AASB 1004 Contributions that had previously applied to the [reporting unit]. AASB 1058 provides a more comprehensive model for accounting for income of not-for-profit entities and specifies that:

- the timing of revenue or income recognition will depend on whether a performance obligation is identified or a liability is recognised;
- not-for-profit lessees can elect to recognise assets, including leases provided at significantly less than fair value, at their fair value; and
- all not-for-profit entities can elect to recognise volunteer services at fair value if the fair value of those services can be reliably measured.

The association adopted AASB 15 and AASB 1058 using the modified retrospective method of adoption, with the date of initial application of 1 July 2019. Under this method, the standard is applied retrospectively with the cumulative effect of initially applying the standard recognised at the date of initial application. Consequently, the comparative information presented has not been restated and continues to be reported under the previous standards on revenue and income recognition. In addition, the association has applied the practical expedient and elected to apply these standards retrospectively only to contracts and transactions that were not completed contracts at the date of initial application, i.e., as at 1 July 2019.

The adoption of AASB 15 and AASB 1058 did not have a material impact on the association's financial statements.

# NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2020

# NOTE 7: TRADE AND OTHER RECEIVABLES (CONT'D)

### Credit risk

The Association has no significant concentration of credit risk with respect to any single counterparty or Association of counterparties other than those trade debtors specifically provided for and mentioned within Note 7. The main source of credit risk to the Association is considered to relate to the class of assets described as trade debtors.

The following table details the group and parent's trade debtors exposed to credit risk with ageing analysis and impairment provided for thereon. Amounts are considered as 'past due' when the debt has not been settled within the terms and conditions agreed between the Association and the member or counterparty to the transaction. Trade debtors that are past due are assessed for impairment by ascertaining their willingness to pay and are provided for where there are specific circumstances indicating that the debt may not be fully repaid to the Association.

The balances of trade debtors that remain within initial terms (as detailed in the table) are considered to be of high credit quality.

An independent valuation of the Association's land and buildings was performed by a Certified Practising Valuer in 2019. The valuations, which conforms to Australian Valuation Standards, was determined by reference to the amounts for which assets could be exchanged between knowledgeable willing parties in an arm's length transactions. The valuation was based on independent assessments.

Refer to Note 18 for the analysis of non-financial assets (land and buildings) measured at fair value, by fair value hirerchy.

Plumbing Staff Solutions Pty Ltd *	100%	100%
Plumbing Industry Training Pty Ltd	50%	50%
Plumbing Industry Training Limited	50%	50%

All entities listed above are incorporated in Australia.

Australian Plumbing Industries Educational Foundation Holdings Pty Ltd had transactions for the financial year which totalled \$263 (2019: \$nil) and held cash at bank of \$504 (2019: \$767) as at 30 June 2020.

\* The assets, liabilities, income and expenses has been consolidated on a line-by-line basis in the consolidated financial statements of the group. Refer to Note 1(a).

Except for Plumbing Staff Solutions Pty Ltd, all other entities did not have any transactions during the financial year and had no assets or liabilities as at 30 June 2020. As these companies are not considered material to the group, they have not been consolidated into the group's financial statement.

# NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2020

### NOTE 18: FINANCIAL RISK MANAGEMENT

#### **Financial Risk Management Policies**

The Association's financial instruments consist mainly of deposits with banks, local money market instruments, short-term investments, accounts receivable and payable, and leases.

The totals for each category of financial instruments, measured in accordance with AASB 9 as detailed in the accounting policies to these financial statements, are as follows:

		Group		Parent

#### **Financial Risk Management Policies**

The Association's treasurer is responsible for, among other issues, monitoring and managing financial risk exposures of the Association. The treasurer monitors the Association's transactions and reviews the effectiveness of controls relating to credit risk, financial risk, and interest rate risk. Discussions on monitoring and managing financial risk exposures are held monthly and minuted by the executive board.

The treasurer's overall risk management strategy seeks to ensure that the Association meets its financial targets, while minimising potential adverse effects of cash flow shortfalls.

# NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2020

#### NOTE 18: FINANCIAL RISK MANAGEMENT (CONT'D)

#### **Specific Financial Risk Exposures and Management**

The main risks the Association is exposed to through its financial instruments are interest rate risk, liquidity risk, credit risk and equity price risk.

#### a. Interest rate risk

The Association is not exposed to any significant interest rate risk since cash balances are maintained at variable rates and borrowings of the Association are not considered significant.

#### b. Liquidity risk

Liquidity risk arises from the possibility that the Association might encounter difficulty in settling its debts or otherwise meeting its obligations related to financial liabilities. The Association manages this risk through the following mechanisms:

- preparing forward-looking cash flow analysis in relation to its operational, investing and financing activities;
- only investing surplus cash with major financial institutions; and
- proactively monitoring the recovery of unpaid subscriptions.

The tables below reflect an undiscounted contractual maturity analysis for financial liabilities.

Cash flows realised from financial assets reflect management's expectation as to the timing of realisation. Actual timing may therefore differ from that disclosed. The timing of cash flows presented in the table to settle finance leases reflect the earliest contractual settlement dates.

#### Financial assets pledged as collateral

No financial assets have been pledged as security for any financial liability.

#### c. Foreign exchange risk

The Association is not exposed to fluctuations in foreign currencies.

#### d. Credit risk

The maximum exposure to credit risk by class of recognised financial assets at the end of the reporting period is equivalent to the carrying value and classification of those financial assets (net of any provisions) as presented in the statement of financial position.

Trade and other receivables that are neither past due or impaired are considered to be of high credit quality. Aggregates of such amounts are as detailed at Note 7.

The Association has no significant concentration of credit risk exposure to any single counterparty or group of counterparties. Details with respect to credit risk of Trade and Other Receivables are provided in Note 7.

Credit risk related to balances with banks and other financial institutions is managed by the finance committee in accordance with approved Board policy. Surplus funds are only invested with counterparties with a Standard & Poor's rating of at least AA-. The following table provides information regarding the credit risk relating to cash and money market securities based on Standard & Poor's counterparty credit ratings.

# NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2020

### NOTE 18: FINANCIAL RISK MANAGEMENT (CONT'D)

	Gr	oup	Parent		
	2020	2020 2019		2019	
	\$	\$	\$	\$	
Cash and cash equivalents					
- AA- rated	2,034,010	2,059,115	1,906,650	2,011,114	
	2,034,010	2,059,115	1,906,650	2,011,114	

Risk is also minimised through investing surplus funds in financial institutions that maintain a high credit rating or in entities that the committee has otherwise cleared as being financially sound.

#### e. Price risk

The Association is not exposed to any material commodity price risk.

#### Sensitivity analysis

The following table illustrates sensitivities to the Association's exposures to changes in interest rates. The table indicates the impact on how profit and equity values reported at balance date would have been affected by changes in the relevant risk variable that management considers to be reasonably possible. These sensitivities assume that the movement in a particular variable is independent of other variables.

Change in profit				
+/- 2% in interest rates	+/- 45,231	+/- 45,664	+/- 42,684	+/- 44,704
Change in equity				
+/- 2% in interest rates	+/- 45,231	+/- 45,664	+/- 42,684	+/- 44,704

The above interest rate sensitivity analysis has been performed on the assumption that all other variables remain unchanged.

#### **Net Fair Values**

#### Fair value estimation

The fair values of financial assets and financial liabilities are presented in the following table and can be compared to their carrying values as presented in the statement of financial position. Fair values are those amounts at which an asset could be exchanged, or a liability settled, between knowledgeable, willing parties in an arm's length transaction. Areas of judgment and the assumptions used have been detailed below. Where possible, valuation information used to calculate fair value is extracted from the market, with more reliable information available from markets that are actively traded.

Total financial liabilities	-	1,321,098	1,321,098	999,346	999,346

The fair values disclosed in the above table have been determined based on the following methodologies:

- (i) Cash and cash equivalents, trade and other receivables and trade and other payables are short term instruments in nature whose carrying value is equivalent to fair value. Trade and other payables exclude amounts provided for relating to annual leave which is not considered a financial instrument.
- (ii) For listed financial assets designated at fair value through other comprehensive income, closing quoted bid prices at reporting date are used.

(iii) Fair values of amortised cost investments are based on quoted market prices at the end of the reporting period.

# NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2020

### NOTE 18: FINANCIAL RISK MANAGEMENT (CONT'D)

#### **Financial Instruments Measured at Fair Value**

The financial instruments recognised at fair value in the statement of financial position have been analysed and classified using a fair value hierarchy reflecting the significance of the inputs used in making the measurements. The fair value hierarchy consists of the following levels:

- quoted prices in active markets for identical assets or liabilities (Level 1);
- inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (as prices) or indirectly (derived from prices) (Level 2); and
- inputs for the asset or liability that are not based on observable market data (unobservable inputs) (Level 3).

The following tables provide an analysis of financial instrument assets that are measured fair value, by fair value hierarchy:

# Group and parent

2020	Level 1 د	2 Level د	Level 3	Total ¢
Einen siel en extern	\$	\$	\$	\$
Financial assets:				
Fair value through other comprehensive income	4,527,859	-	-	4,527,859
Amortised cost	227,536	-	-	227,536
	4,755,395	-	-	4,755,395
2019				
Financial assets:				
Fair value through other comprehensive income	4,459,858	-	-	4,459,858
Amortised cost	224,084	-	-	224,084
	4,683,942	-	-	4,683,942

Included within Level 1 of the hierarchy are listed investments. The fair values of these financial assets have been based on the closing quoted bid prices at the end of the reporting period, excluding transaction costs.

#### Non-financial Assets Fair Value Hierarchy

The following tables provide an analysis of non-financial assets that are measured at fair value, by fair value hierarchy:

Group and parent				
2020	Level 1	Level 2	Level 3	Total
	\$	\$	\$	\$
Non-financial assets:				
Land	-	578,242	-	578,242
Buildings	-	1,628,523	-	1,628,523
	-	2,206,765	-	2,206,765
2019				
Non-financial assets:				
Land	-	578,242	-	578,242
Buildings	-	1,661,758	-	1,661,758
	-	2,240,000	-	2,240,000

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2020

#### NOTE 18: FINANCIAL RISK MANAGEMENT (CONT'D)

#### Non-financial Assets Fair Value Hierarchy (Cont'd)

There have been no transfers between levels during the reporting period (2019: no transfer).

The fair value of land and buildings is determined at least every three years based on valuations by an independent valuer. At the end of each intervening period, the directors review the independent valuation and, when appropriate, update the fair value measurement to reflect current market conditions using a range of valuation techniques, including recent observable market data and discounted cash flow methodologies.

#### NOTE 19: CAPITAL MANAGEMENT

The Board members control the capital of the Association in order to maintain a good debt-to-equity ratio and to ensure that the Association can fund its operations and continue as a going concern. The Association's debt and capital includes financial liabilities, supported by financial assets. There are no externally imposed capital requirements.

The Board members effectively manage the Association's capital by assessing the Association's financial risks and adjusting its capital structure in response to changes in these risks and in the market. These responses include the management of debt levels.

There have been no changes in the strategy adopted by management to control the capital of the Association since the prior year. This strategy is to ensure that there is sufficient cash to meet trade and other payables and borrowings.

	Consolidated		Parent		
	2020 \$	2019 \$	2020 \$	2019 \$	
Trade and other payables	(1,345,615)	(1,053,425)	(1,321,098)	(999,346)	
Less cash and cash equivalents	2,034,010	2,059,115	1,906,650	2,011,114	
Net (debt)/equity	688,395	1,005,690	585,552	1,011,768	
Total equity	18,677,285	18,255,396	18,626,576	18,255,101	
Total capital	19,365,680	19,261,086	19,212,128	19,266,869	

#### NOTE 20: COMMITMENTS

#### Operating lease commitments—as lessor

Future minimum rentals receivable under non-cancellable operating leases as at 30 June 2020 are:

	Consolidated				
	2020 \$	2019 \$	2020 \$	2019 \$	
Within one year	32,083	-	32,083	-	
	32,083	-	32,083	-	

The property lease is a non-cancellable lease with a 1-year term, with rent payable monthly in advance. An option exists to renew the lease at the end of the 1-year term for an additional two terms for 1 year each.

### NOTE 21: CONTINGENT LIABILITIES AND CONTINGENT ASSETS

There were no contingent liabilities or contingent assets as at 30 June 2020 (2019: \$nil).

# NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2020

### NOTE 22: EVENTS SUBSEQUENT TO REPORTING PERIOD

No matters or circumstances have arisen since the end of the financial year which significantly affected or may affect the ongoing structure and financial activities of the Association.

#### NOTE 23: ASSOCIATION DETAILS

The registered office and principal place of business of the Association is:

Unit 15, 306 Albert Street Brunswick VIC 3056 AUSTRALIA

#### NOTE 24: SECTION 272 FAIR WORK (REGISTERED ORGANISATIONS) ACT 2009

In accordance with the requirements of the *Fair Work (Registered Organisations) Act 2009*, the attention of members is drawn to the provisions of sub-sections (1) to (3), of Section 272, which reads as follows:

Information to be provided to members or Commissioner:

- (1) A member of a reporting unit, or the Commissioner, may apply to the reporting unit for specified prescribed information in relation to the reporting unit to be made available to the person making the application.
- (2) The application must be in writing and must specify the period within which, and the manner in which, the information is to be made available. The period must not be less than 14 days after the application is given to the reporting unit.
- (3) A reporting unit must comply with an application made under subsection (1).

### NOTE 25: COVID-19

As a result of the evolving nature of the COVID-19 outbreak and the rapidly evolving government policies of restrictive measures put in place to contain it, as at the date of these financial statements, the association is not in a position to reasonably estimate the financial effects of the COVID-19 outbreak on the future financial performance and financial position of the association. Other than the current disclosures, there has not been any other matter or circumstance occurring subsequent to the end of the financial year that has significantly affected, or may significantly affect, the operations of the association, the results of those operations, or the state of affairs of the association in subsequent financial periods.

# EXECUTIVE BOARD'S STATEMENT

On 27 October 2020, the Executive Board of Master Plumbers' & Mechanical Services Association of Australia ("reporting unit") passed the following resolution in relation to the general purpose financial report (GPFR) for the financial year ended 30 June 2020.

The Executive Board declares that in its opinion:

- 1. the financial statements and notes comply with the Australian Accounting Standards;
- 2. the financial statements and notes comply with any other requirements imposed by the Reporting Guidelines or Part 3 of Chapter 8 of the *Fair Work (Registered Organisations) Act 2009* (the RO Act);
- 3. the financial statements and notes give a true and fair view of the financial performance, financial position and cash flows of the reporting unit for the financial year to which they relate;
- 4. there are reasonable grounds to believe that the reporting unit will be able to pay its debts as and when they become due and payable; and
- 5. during the financial year to which the GPFR relates and since the end of the year:
  - i) meetings of the Executive Board were held in accordance with the rules of the organisation; and
  - ii) the financial affairs of the reporting unit have been managed in accordance with rules of the organisation; and
  - iii) the financial records of the reporting unit have been kept and maintained in accordance with the RO Act; and
  - iv) no information has been sought in any request by a member of the reporting unit or General Manager duly made under section 272 of the RO Act; and
  - v) no orders have been made for inspection of financial records has been made by the Fair Work Commission under section 273 of the RO Act;

This declaration is made in accordance with a resolution of the Executive Board.

For and on behalf of the Executive Board by:

DocuSigned by: Г B79BE507501D445

Scott Dowsett President

Dated in Melbourne on this 27<sup>th</sup> day of October 2020.

# OFFICER DECLARATION STATEMENT

I, Scott Dowsett, being the President of the Executive Board of Master Plumbers' & Mechanical Services Association of Australia, declare that the following activities did not occur during the reporting period ending 30 June 2020.

The reporting unit did not:

- agree to receive financial support from another reporting unit to continue as a going concern (refers to agreement regarding financial support not dollar amount)
- agree to provide financial support to another reporting unit to ensure they continue as a going concern (refers
- acquire an asset or liability due to an amalgamation under Part 2 of Chapter 3 of the RO Act, a restructure of the branches of an organisation, a determination or revocation by the General Manager, Fair Work Commission
- receive capitation fees or any other revenue amount from another reporting unit
- receive revenue via compulsory levies
- receive revenue from undertaking recovery of wages activity
- incur fees as consideration for employers making payroll deductions of membership subscriptions
- pay capitation fees or any other expense to another reporting unit
- pay compulsory levies
- pay a grant that was \$1,000 or less
- pay a grant that exceeded \$1,000
- pay a penalty imposed under the RO Act or the Fair Work Act 2009
- have a receivable with other reporting unit(s)
- have a payable with other reporting unit(s)
- have a payable to an employer for that employer making payroll deductions of membership subscriptions
- have a payable in respect of legal costs relating to litigation
- have a payable in respect of legal costs relating to other legal matters
- have a fund or account for compulsory levies, voluntary contributions or required by the rules of the organisation or branch
- transfer to or withdraw from a fund (other than the general fund), account, asset or controlled entity
- have another entity administer the financial affairs of the reporting unit
- make a payment to a former related party of the reporting unit

Scott Dowsett

President

Dated in Melbourne on this 27<sup>th</sup> day of October 2020.

# INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF MASTER PLUMBERS' AND MECHANICAL SERVICES ASSOCIATION OF AUSTRALIA ("MPMSAA")

# Opinion

I have audited the financial report of Master Plumbers' and Mechanical Services Association of Australia ("MPMSAA"), which comprises the consolidated and parent entity statement of financial position as at 30 June 2020 and the consolidated and parent entity statement of profit or loss and other comprehensive income, consolidated and parent entity statement of changes in equity and consolidated and parent entity statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, the Executive Boards' certification and the subsection 255(2A) report and the Officer Declaration Statement of the economic entity comprising the association and the entities it controlled at years end or from time to time during the financial year.

In my opinion the accompanying financial report of MPMSAA presents fairly, in all material respects, the consolidated and parent entity's financial position as at 30 June 2020 and their financial performance and their cash flows for the year then ended in accordance with:

- (i) Australian Accounting Standards; and
- (ii) any other requirements imposed by the Reporting Guidelines or Part 3 of Chapter 8 of the *Fair Work* (*Registered Organisations*) Act 2009 (the RO Act).

I declare that Executive Board's use of the going concern basis in the preparation of the financial statements of the Reporting Unit is appropriate.

# **Basis for Opinion**

I conducted my audit in accordance with Australian Auditing Standards. My responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of my report. I am independent of the Reporting Unit in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to my audit of the financial report in Australia. I have also fulfilled my other ethical responsibilities in accordance with the Code.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

# Information Other than the Financial Report and Auditor's Report Thereon

The Executive Board of MPMSAA is responsible for the other information. The other information obtained at the date of this auditor's report is in the Operating Report accompanying the financial report.

My opinion on the financial report does not cover the other information and accordingly I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial report, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or my knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

# INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF MASTER PLUMBERS' AND MECHANICAL SERVICES ASSOCIATION OF AUSTRALIA ("MPMSAA") (CONTINUED)

# Responsibilities of the Executive Board for the Financial Report

The Executive Board of MPMSAA is responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards and the RO Act, and for such internal control as the Executive Board determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Executive Board is responsible for assessing the Reporting Unit's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the Executive Board either intends to liquidate the Reporting Unit or to cease operations, or has no realistic alternative but to do so.

# Auditor's Responsibilities for the Audit of the Financial Report

My objective is to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with Australian Auditing Standards, I exercise professional judgment and maintain professional scepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Reporting Unit's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Executive Board.
- Conclude on the appropriateness of the Executive Board's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Reporting Unit's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Reporting Unit to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Reporting Unit to express an opinion on the financial report. I am responsible for the direction, supervision and performance of the Reporting Unit's audit. I remain solely responsible for my audit opinion.

# INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF MASTER PLUMBERS' AND MECHANICAL SERVICES ASSOCIATION OF AUSTRALIA ("MPMSAA") (CONTINUED)

# Auditor's Responsibilities for the Audit of the Financial Report (Continued)

I communicate with the Executive Board regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I declare that I am an auditor registered under the RO Act.

# **Report on Other Legal and Regulatory Requirements**

In accordance with the requirements of section 257(7) of the RO Act, I am required to describe any deficiency, failure or shortcoming in respect of the matters referred to in section 252 and 257(2) of the RO Act.

I did not identify any matters to report in this regard.
