

In line with the latest health directions for authorised workers in Victoria, Master Plumbers is required to collect, record, and hold COVID 19 vaccination information for all persons entering the site. This will commence Monday 18th October and will be applied to the first visit by any person entering the Master Plumbers site. It is recommended that your employee arrives early to allow time for the check in procedure.

From **Monday 18th of October** Master Plumbers RTO will require evidence from those attending the site of:

- being fully vaccinated with two doses of the COVID-19 vaccine, or
- having received one dose of a COVID-19 vaccine and subsequent booking to become fully vaccinated by 26 November 2021, or
- a booking to receive the first dose by 22 October 2021, or
- a medical exemption from an authorised medical practitioner.

MEDICAL EXEMPTION

A person may be exempt from the requirement to be vaccinated only where they:

- have a medical contraindication to the COVID-19 vaccines available for use in Australia;
- are unable to receive a dose, or a further dose, of a COVID-19 vaccine due to an acute medical illness (including where the person has been diagnosed with COVID-19).

Master Plumbers will require an original or certified copy of an original medical exemption from a registered medical practitioner (as defined in the public health order).

EVIDENCE OF COVID-19 VACCINATION

Evidence of vaccination can include:

- Immunisation history statement available from Medicare
- [MyGov COVID-19 digital certificate](#)
- My Health Record and Medicare online account.

You can access your Immunisation History Statement online or call the Australian Immunisation Register (AIR) to have an Immunisation History Statement sent in the post.

In the period before an immunisation history is updated, interim, alternative evidence of vaccination can include a recent booking confirmation email, or the card received at the time of vaccination.

NIL OR INSUFFICIENT EVIDENCE

Any person who does not provide an appropriate record will be considered unvaccinated and unable to participate in training onsite.

Thank you in advance for your cooperation.

Regards,

Peter Daly
